

## **German Developer attracted to AJMAN**

21 Oct. 2008 – GULF STAR - Ajman

GULF STAR Property Developer is a German-owned, internationally experienced Property Developer and Real Estate Company who specialize in delivering property solutions to meet the demand of the international property investor market. The Chairman, HRH Princess Fay von Ary outpoints that high rise building investments are the expertise. GULF STAR is a company whose principals have over 25 years of experience in regards to International property development and management. Germany, England, California and the South of France are some of the main regions where the property activities have been successful. The CEO, Mr. Alex S. von Ary, M. Eng., explained, "it is the expertise in foreseeing rising markets and developing off-plan purchases that allows the company to offer buyers the maximum returns on investment." GULF STAR builds properties with the best specifications which provide the highest investment returns, but it also incorporate excellent lifestyle options. This means a lot of hard work from the company's serious professionals to bring the investors the quality that they are looking for. GULF STAR aims to provide and meet people's lifestyle and work aspirations in regards to better more affordable and impressive projects. Quality management in accordance to ISO 9001 assures the investor the very best returns. "WE DELIVER".

GULF STAR has come up with a unique Dh 1 b project in Park View City Ajman, The "Parkview PALACE." The building is equal to its title that demand with the link between the aesthetics and historical status be as obvious as the PALACE extraordinary lineage. It is a perfect combination of timeless style in an affordable environment. Parkview PALACE is a world class development featuring a harmonious balance of residential and state of the art commercial towers that allows the highest quality of a modern lifestyle.
