

More qualified Staff attracted to Ajman: Newly appointed Office Manager

27 Nov. '08 Ajman UAE - Gulf Star Property

Gulf Star Property Developer-Ajman, is proud to announce the newly appointed Office Manager, Mr. Frank Guenter Dutine, German national. Mr Frank holds a degree in Business Administration of the Chamber of Industry and Commerce Nuremberg, Germany. He has international business experience in Germany, China and in the UAE. Mr. Frank is looking forward to improve the organization in the aspect of ISO 9001 quality management. Our warmest congratulations from the Management and Staff of Gulf Star Property Developer.

Gulf Star Property Developer, a German-owned, internationally experienced Property Developer and Real Estate Company who specialize in delivering property solutions to meet the demand of the international property investor market. High rise building investments are the expertise. Gulf Star is a company whose principals have over 25 years of experience in regards to international property development and management. Gulf Star is a company that caters to every customers' need. Whether you are an established real estate company or an investor, the company has exciting projects that will interest you with over 1b Dirhams volume, coming on the way in the Emirate along Emirates Road . The major project will be venturing in a Five Tower complex in Park View City, Ajman, which is called "Parkview PALACE." The Project is composed of Five Palatial Towers having basement parking plus ground floor semi-parking and typical seven floors podium parking. On the top of the podiums have garden terrace, swimming pools and gymnasium. Parkview PALACE Towers have the advantage of a dedicated activity area designed to satisfy every desire for leisure and pleasure, relaxation and recreation. Price per value is unique and at least 60% less than in the neighbouring Dubai. <http://www.gulfstarproperty.com>
