

## **Qualified Staff Gets More Attracted To Ajman: Newly Appointed Sales Director**

Gulf Star Property

Gulf Star Property Developer - Ajman is proud to announced the newly appointed Sales Director, Mr. Mohammad Reza Bakhshaei, he holds an BBA & Marketing degree of Azad-University. Since he joined the company, he made outstanding progress in building profitable business. Mr Bakhshaei has proven success in addressing the challenges and his innovative plans for the future development of the company and Ajman, make him a valuable asset and we are confident that he will deliver major benefits for the company. Our warmest congratulations from the Management and Staff of Gulf Star Property Developer.

Gulf Star Property Developer, one of the leading and successfully growing real estate developer in Ajman with numerous projects, with over a 1b Dirhams volume, coming on the way in the Emirate along Emirates Road. The major project will be venturing in a Five Tower complex in Park View City, Ajman, which is called "Park-Palace". Gulf Star will very soon be pre-launching the Center Point tower of Park-Palace complex, a fully commercial business center tower, with a unique state of the art Central reception service concept. The perfect business location, only 20 minutes from Dubai Airport. The Center Point Tower with significant business components and latest technology amenities will deliver great satisfaction for the local and foreign clients and investors. Price per value is unique and at least 60% less than in the neighbouring Dubai.
